

INVITATION - Research Alliance for Autonomous Systems proudly presents:

Reliability and Maintenance Workshop

Date: 15 October 2019
Time: 10.00 am – 16.00 pm
Venue: Tampere University, Kambusklubi,
Kampusareena, Korkeakoulunkatu 6, Tampere

Systems maintenance and reliability are the foundation of all activities. Autonomy of systems requires completely new solutions for maintenance and reliability. Come and listen to the researchers' and the companies' thoughts and ideas about the development of future solutions.

This workshop is also a great place for networking and new research project creation!

Preliminary agenda:

10.00 Coffee and Welcome, Professor Kari T. Koskinen & R&D Manager Mirva Salokorpi
10.30 Reliability researcher's speech, University Instructor Jouko Laitinen
11.00 Industry reflections
 Portfolio Development Executive Henrik Orsan, Siemens Industry Software
 Office Manager Jaakko Tennilä, Finnish Maintenance Society, Promaint
 + 1 more
12.00 Lunch
13.00 Workshop in small groups
14.30 Presentations of the results
15.30 Discussion and next steps

Join us in Tampere!

Registration by 10.10. Jouko.laitinen@tuni.fi

Best regards,
Mirva, Kari & Jouko
